Gide Loyrette Nouel (GLN) is a leading French law firm with 400 lawyers and 15 offices worldwide. GLN offers high quality legal expertise in all areas of business law and has extensive experience in the energy sector, including renewable energy. It assists clients in activities such as the drafting and negotiation of energy supply agreements, grid access agreements and agreements for construction, operation and maintenance of power plants, particularly in French, English, German and Danish.

Sterr-Kölln & Partner

Rechtsanwälte, Wirtschaftsprüfer, Steuerberater
Lörracher Str. 16
D-79115 Freiburg
T: +49 (0) 761/49 05 4-0
F: +49 (0) 761/49 34 68
E: kontakt@sterr-koelln.com
W: www.sterr-koelln.com
Person to turn to: Dr. Karlheinz Rabenschlag

A group of counsellors of Sterr-Kölln & Partners is actively involved in the fields of renewable energies and energy efficiency since 1997. We give advice and follow-up projects in Germany and Europe from an economics, judicial and fiscal point of view. Our special qualification: financing, estimation of a project for banks and investors in case of buy and financing, optimisation of existing wind farms.
